The Conference is an opportunity to review ways in which together we can encourage market opening in Romania and Cyprus through export promotion opportunities and assist in the creation of an environment that welcomes foreign direct investment and leads to good governance.

The conference presents an additional interest as we will be discussing practical ways in which we can strengthen the commercial links between Romanian and Cyprus business leaders and economic decision-makers.

- (i) ***Instructional***, especially concerning Cyprus based tax structuring and Romanian tax matters (VAT, transfer pricing and tax audit methodology) and equally important,
- (ii) ***Leisure*** in the welcoming and sunny Cyprus.
